Here's how you can be a part of this process:

1. Complete a survey to add the potential priorities to the list for the discussion- All suggested priorities must be submitted by October 30th. Download the [Suggested Priority form here](#).

Southwest

Your SW District SkillsUSA District Officers have been hard at work getting us back to an awesome in-person Fall Leadership Conference! Please see the attached agenda and registration form for all the details! We can't wait to see you October 26 at the Grady County Fairgrounds! Feel free to forward this email to anyone applicable at your school.

We've tried very hard to keep our costs down, but tshirts have gotten hard to find and a bit costlier. We are also planning some fun activities and the always popular PIZZA!!! Registration fees did have to go up a bit but we think you'll find the experience well worth it! **In an effort to get new instructors to attend we would like to offer each school a free registration for ONE instructor who has never attended our FLC**

before. Please note the new instructor on your registration form but make sure they are included in the tshirt order 😊—they need the swag just as much as the students!

Please have registration forms in to me by October 13! If you want your tshirts labeled with names for your arrival send me a list of names with shirt sizes, but that is not required.

Holler if you have questions!

Oklahoma Veterans Film Competition

DEAR INSTRUCTORS,

I'm contacting you on behalf of the **OKLAHOMA VETERANS FILM COMPETITION (OVFC)** to share an exciting community-friendly opportunity. Recently, CareerTech, in association with SkillsUSA and BPA, distributed flyers with information related to the veteran's film competition that you may or may not have received. The goal of this communication is to ensure that you have a chance to register your teams before the contest starts.

FILM CONTEST DATES:

* Competition opens **Friday, October 1st**, and ends on **Thursday, November 11 (Veterans Day) 2021**.

(We understand this presents a very short window of time for a video so a number of support mechanisms are in place to aid help students with the production process. A couple of examples: (1) A list of local military veterans will be made available; (2) students will have access to helpful short videos that provide tips, techniques, and a host of potential questions to ask veterans.)

BASIC SUBMISSION REQUIREMENTS:

* Up to three student-member teams. (Two Divisions: High School & Post-Secondary School)

- * Must interview a living military veteran
- * Veterans must have a direct and personal Oklahoman connection
- * 5-7 minutes in duration
- * Narrative presentation of a living veteran's military service
- * Provide a digital copy of raw footage to veterans

Official Rules and a Contest Rubric will be released on the website on October 1, 2021. Judges for this competition are movie-industry producers, directors, and screenwriters as well as high-ranking military veterans. Each video will be viewed and evaluated based on the official rules and overall quality. At the end of the judging process, 3 High-School and Post Secondary School teams will be awarded 1st, 2nd, and 3rd place **Cash Prizes. Winning Teams and their instructors will also be publicly recognized and acknowledged for their participation in honoring Oklahoma veterans.**

RSVP: If you and your students would like to be a part of this event or have any questions, please email us at sheilam@apps.meridiantech.edu

In order to submit your team's video, please email us at sheilam@apps.meridiantech.edu where we will respond with a link to a drive where you will be able to upload. This will ensure fairness and ease of uploading.

Please contact me if you have any additional questions.

Thank You
