

SkillsUSA Fair Play Pledge

It is the intention of this pledge to promote fair play and respect for all participants within the SkillsUSA Regional Skills Competition. All Host Teachers must sign this pledge before the contest.

I agree to abide by the principles of SkillsUSA and the Fair Play Code (see below) as set forth by the SkillsUSA Oklahoma Association.

This commitment to fair play will pave the way for better competitions and positive attitudes.

Fair Play Code:

1. I will host a fair contest because I want to, not just because others expect me to.
2. In advance, I will make sure that all equipment and facilities are safe and ready for a fair contest.
3. I will remember that students need an advisor they can respect.
4. I will demonstrate fair play to all students and instructors.
5. I will follow all rules of SkillsUSA, and the spirit of fair competition.
6. I will ensure all students receive equal instruction, support, and fair contest time.
7. I will respect all contestants and advisors.
8. I will do my best to be a true team player.
9. I will remember that winning isn't everything – having fun, improving skill, and preparing all students for successful careers are also important.
10. I will acknowledge and celebrate all good performances – those of my students and students from other schools.
11. I will remember that all instructors and industry partners are there to help me. I will accept their support and show them respect.
12. I will exclude myself from making any decision that will affect the outcome of the contest.
13. I will allow the contest judges to make critical decisions and will not use my power as the Host Teacher to persuade them in any way.
14. If the judges are unable to make the decision(s), I will have all instructors with students participating in the contest make the call.
